MEMORANDUM FOR: Commander, [REDACTED]
SUBJECT : [REDACTED] Instruction

25X1A

For your guidance in preparing preliminary written reports as a result of PI, there is set forth below a listing of places with coordinates and with items of interest for reporting indicated by number. These numbers refer to the following categories of interest:

1. Airfields and landing areas including those suitable for helicopter operations.
2. Aircraft by number and type.
3. Amphibious craft of all sizes.
4. Merchant ships and naval vessels.
5. Landing beaches.
6. Port facilities.
7. Bridges, tunnels, defiles, road obstacles, blocks to river navigation.
8. Troop and equipment concentrations to include bivouac areas, supply dumps, vehicle parks, artillery (field and anti-aircraft).

In those cases where there are no items of interest indicated, you should report information which may reflect significantly on an appreciation of the military situation.
